Bank Services: COVID-19

Treasury and Custody Services

The document hereunder details the key services from our Treasury & Markets department during this time.

As the situation with COVID-19 evolves, the Bank continues to work with its critical response teams to support you, your families, and your businesses in the most efficient way. We may encounter some delays in the processing of your transactions during these challenging times and we do rely on your understanding and cooperation. Should you need any further information, please contact your Relationship Manager.
